

# TRAFFIC ADVISORY

**Date:** May 26, 2017  
**District:** 4 - Oakland  
**Contact:** RocQuel Johnson  
**Phone:** (510) 286-4948

**FOR IMMEDIATE RELEASE**

## **One-Way Traffic Control for State Route 130 in Santa Clara County**

*May 31 2017 through October 31 2017*

**Santa Clara County, Calif.** - The California Department of Transportation (Caltrans) is conducting storm damage repair work which will require the use of signalized one-way traffic controls on State Route 130 (SR-130)/Mt. Hamilton Road between Crothers Road and Clayton Road in San Jose in Santa Clara County. The one-way signalized traffic control will provide motorists with indications on when they are clear to proceed. The closure is detailed as follows:

- **SR-160/Mt. Hamilton Road will have a lane reduction and one-way traffic control between Crothers Road and Clayton Road in effect from Wednesday May 31 at 6:00 AM until project completion, projected for October 2017.**

Caltrans is installing temporary concrete railing (Type K) along the closure of the eastbound lane of SR-130 to ensure public and worker safety. The existing westbound lane will be available to traffic utilizing one-way signalized setup.

Portable Changeable Message Boards (PCMS) have been placed with advance notifications to alert travelling motorists in both directions. For any updates to this advisory, please consult Caltrans District 4 Storm Damage Projects website: <http://www.dot.ca.gov/d4/stormdamageprojects2017/>.

**Traffic delays and construction noise may be associated with the closure.**

Motorists should drive with caution through the work zone. Get real-time traffic on Caltrans Quickmaps: <http://quickmap.dot.ca.gov/>. Or follow Caltrans on Twitter: <http://twitter.com/CaltransD4>. Caltrans appreciates your patience as we work to maintain California's highways. Please #BeWorkZoneAlert.
